

A diagram of a hexagon sticker badge template. It features three concentric hexagonal borders: an outer magenta line, a middle solid black line, and an inner blue line. A vertical double-headed arrow passes through the center, and a horizontal double-headed arrow also passes through the center. The dimensions of the hexagons are indicated: the inner blue hexagon is 3.5" x 3", the middle black hexagon is 3.75" x 3.25", and the outer magenta hexagon is 4" x 3.5". The diagram also shows a 60-degree angle at the top right corner of the black hexagon and a 30-degree angle at the top right corner of the magenta hexagon.

Hexagon sticker badge

Solid black line indicates TRIM -
3.75" x 3.25" hexagon.

Blue lines indicate IMAGE AREA -
3.5" x 3" hexagon.

All text and other critical elements
MUST be inside those lines.

$3\frac{3}{4}'' \times 3\frac{1}{4}''$

Outer magenta line indicates BLEED - 4" x 3.5" hexagon.
If the background or any other elements print to the edge,
they MUST extend to this line.

Please keep template elements on a separate layer.
DO NOT flatten template elements into artwork.

This shape may also be used
"points up and down" (rotated 90°).
